

Dean Law Firm

Appellate Law • Estate Planning

With a heart for people and passion for excellence, Julia Dean fashioned her law firm to provide a different kind of legal experience for her clients. Dean comments, "When my clients come through the door, I want them to know their concerns are being heard and when they leave, I want them to know peace of mind." Ms. Dean's distinctive law practice has earned her recognition as one of our Country's Top Attorneys and Texas' Top Attorneys by *Newsweek*, one of Houston's Top 100 Professionals and Houston's Top Lawyers by *H Texas Magazine*, and Sugar Land's Best Attorney in the 2010 Reader's Choice Awards by *Sugar Land Sun*.

Recognized for her legal work in civil appeals, Ms. Dean handles all aspects of the case on appeal, having successfully argued in both the federal and state courts. Dean credits her litigation background and delving deep into legal research for her ability to best position her clients on appeal. And in a rare combination, Ms. Dean's practice also involves complex estate planning, charitable gift planning, special needs planning, elder law and probate. "My hope is to touch people's lives and proactively help them achieve their goals for their family legacy in the best manner possible."
